SPONSORSHIP PROGRAM, INC.

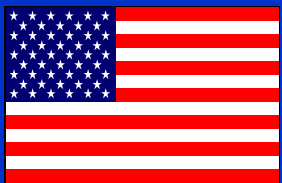

Children's Scholarship Fund

giving parents a choice ♦ giving children a chance

Vision Statement:

The Board of Trustees of STAR Sponsorship Program, Inc./CSF FW is dedicated to increasing educational options for children in Tarrant County whose parents do not have the financial means to provide an education best suited to their children's unique needs.

We believe the well-being of the entire community is enhanced when children are given a quality education that allows them to achieve to their utmost ability. Therefore, we intend, wherever possible, to encourage partnerships with schools, parents, community organizations and concerned citizens in supporting its children to achieve the American dream.

"I am so proud of YOU"

These words speak like no others when showered on a student about academic progress. Our program centers on opportunity for a child to receive an edu-

cation the parent stives for, but cannot afford.

Hope is the other part of the equation. Together they provide the positive environment for a student to succeed.

STAR/CSF-FW has extended elementary school scholarships through 8th grade for current qualified children in Tarrant

County... CSF NY has committed to match dollar-for-dollar any funds raised to extend these scholarships. A donor's commitment, along with the families disciplined sacrifice, leverages an average scholarship of 1,260

to send a student to a school the parent chooses. This motivation spells success in the partnership.

Between Sponsors and Families

Dear Marcelo,

Thank you for your letter. I always enjoy hearing about what you are doing with your life. I especially appreciate the letters that you hand-write. Even in this day of computers, it is important to develop your penmanship. Your handwriting is very good.

I want you to know that you are the best student I have ever sponsored through the STAR sponsorship Program. I am very proud of you. I feel certain you will do even better next year.

Have a great summer!

Sincerely,
Joe Barton

...My sincere gratitude to you and your

outstanding program for making what may seem to be a dream, a reality to parents like me. I am very grateful for this support you have offered to me during the last four years. Thank you for giving me another opportunity. A good education means a better future for my children. Once again, thank you so much.

Respectfully,
Betty N.

Dear Greg,

The STAR Scholarship Fund sent me a copy of your report card for the third semester. I am pleased that you are continuing to improve.

I hope that you will continue to work on the areas where you are not doing as well so that you can continue in the program next year.

Your Friend,
John Walker

Dear Children's Scholarship Fund,

Thank you for making it possible for my brothers and I to go to Grace Prep. We all enjoy it so much! At Grace Prep we have wonderful friends and great teachers. It is a good Christian environment and that is good or all of us. You learn so much everyday! It amazes me! My favorite subject is history!

Thank you so much!
Sincerely,
Deborah B.

THE IMPORTANCE OF EDU-

"Children must be empowered to live successful lives.

Poor children may never have the chance at the American dream.

Without the strong foundation of a good education, these children will never have a chance."
